TERMS OF SALE

1. All bids are per lot as numbered in the catalogue and all items are sold as per lot. No lots are sold out of numerical order. The right is reserved to withdraw any lot prior to sale, or to group two or more lots. No lots will be broken up.
2. The highest bidder will prevail. Lots are sold at a slight advance over the next highest bid. The auctioneer will regulate the bidding, and reserves the right to refuse any bid not believed to be in good faith. Should any dispute arise between bidders, the decision of the auctioneer, in the exercise of his judgement as to the successful bidder, will be final, and the auctioneer may re-offer or resell the lot under dispute. Title will be retained by Harmer, Rooke Numismatists, Ltd., until lots are paid for in full.
3. Auction sales are strictly for cash, and must be paid for promptly in U. S. funds. 1 $\frac{1}{2}$ % per month will be added to all bills delinquent after 1 month from date of sale.
4. Floor bidders must identify themselves to the auctioneer immediately following the purchase of each lot. Payment of the whole purchase price, or such part as the auctioneer may require, will be made by the buyer in such manner as the auctioneer may determine. Personal checks may be accepted, subject to collection.
5. Mail bidders unknown to us must furnish satisfactory references, or remit a deposit of 25% of the total of bids. There is no charge for executing mail bids. In the case of equal bids, the earlier bidder will prevail. Successful mail bidders will be notified of the lots allocated to them, and must forward payment before the lots are sent. Those known to us, or who furnish satisfactory references, may, at our option, have their purchases forwarded for immediate payment. Delivery of lots will be to addresses indicated on bid sheets.
6. All lots are guaranteed to be genuine and as described. No lots may be returned by mail bidders without our written permission. All claims must be made in writing within 5 days after receipt of goods. We reserve the right to decide on all claims. Lots sold to floor bidders are not returnable.
7. Forwarding charges, insurance, &/or registry fees will be borne by the purchaser. The N. Y. State Sales Tax as applicable, is payable by all buyers liable to tax.
8. Unlimited or "buy" bids cannot be accepted.
9. The placing of a bid will constitute acceptance of the foregoing terms of sale.
10. We cannot be responsible for any errors on the part of bidders. Please be careful.
11. No consignors, nor their agents, will be permitted to bid on their own material.

FIRST SESSION

SATURDAY, SEPTEMBER 26th, 1970 — 10:30 A.M. SHARP

Sale to be held in our 4th floor Galleries

Harmer, Rooke Numismatists Ltd. takes great pride in offering the following medals, decorations and awards from the Collection of the late Francis Cardinal Spellman. Every piece has a permanent number attached as our guaranty that it is ex-Spellman. Every piece is mounted in a suitable manner for display. Most of the better ones are in the Cardinal's own special lucite holder, which has enclosed within an ornate hand-lettered card bearing the Cardinal's Crest, in color, plus a full description of the contents. However, due to the vast bulk of the collection, some pieces, including a few very good ones, were unmounted. We have mounted these on an ornate 5x8 handsome card, making them suitable for display etc. These pieces also bear individual distinctive numbers, thus documenting the entire collection as the Cardinal's. Please read the descriptions carefully so as to differentiate between the two types of mounting.

The following group of Papal Medals commemorates virtually every Pope who ever headed the Church. Each is in a soft plastic mount 7 x 7" with Papal Scarlet border, and is mounted next to a 3½ x 5½ card which contains the portrait and history of the Pope, in Latin. Cards are brilliantly colored in medieval style, painstakingly illustrated. The medals are all of 19th century workmanship, each 37 mm, in toned bronze and with high relief, each a brilliant combination of religion and numismatics.

Represented Popes are as follows; with their regnal dates (all A.D.)
Each Estimated (25.00). **PLATE**

605 Vatican. Innocent XI, 1679. This piece, marked "Opus Hamerani" was called (Estimate)
a 7 ducat coin by Cardinal Spellman, and, if it is, may be the only one of
its kind extant. Diligent research on our part has failed to turn up an-
other, or any trace of another, leading us to believe it to be a medal
rather than a coin. In beautiful high relief, the reverse shows Saint
Peter seated on square marker of some sort, which is dated 1697. He
faces right and holds a Papal Key in his left hand, a book, possibly
the Bible in his right. Background and foreground shows trees and plants.
The Motto "Non Deficiet Fides Tua" (Let Not Thy Faith Falter) sur-
rounds. The obverse shows Portrait of Innocent XI in mitre facing left,
with legend "Innocent. XI Pont. Max. An. III". Possibly unique, very
beautiful and rare, weight 363 grain. (5000.00)

PAPER MONEY

606 **Cardinal Spellman's "Short-Snorter".** Assembled during the years of World War II, when the Cardinal earned his soubriquet of the "War Cardinal" by his visits to the battlefronts and hospitals all over the world. According to then current custom, dollar bills were joined together end-to-end with scotch tape and the signatures of crewmates aboard ship or plane inscribed. Whenever possible, the autographs of the famous were also added. This short-snorter is about five feet long, housed in a one piece lucite mounting, and contains seven U.S. one dollar bills, one U.S. ten dollar bill, a Moroccan 5 franc note and an Iranian 10 rial note. Among the signatures are Franklin D. Roosevelt, Winston Churchill, Mamie Eisenhower and General Eisenhower, the Cardinal himself, Eddie Rickenbacker, General Mark Clark, plus many, many other Admirals, Generals, and other servicemen. Each note has a descriptive card beneath it, showing whose signatures are to be found on that note. A truly unique and very personal souvenir of both Cardinal Spellman, and World War II. (3500.00)

607 Another one dollar lucite mounted note with many signatures including that of the Cardinal, obviously the start of another strip of notes. This one is pen dated 1955, and must be for later travels. Still a highly personal memento of Cardinal Spellman. (50.00)

AWARDS AND DECORATIONS

In recognition of his services, more than a score of foreign nations awarded decorations to Cardinal Spellman, most of them the highest grade of a given order. Religious, educational and fraternal organizations also paid him honor, and as Military Vicar he was closely identified with servicemen, indeed with all men in uniform. Accordingly, veterans' groups and police and fire departments conferred awards and badges on him. All these treasured items are mounted on 10"x 14" cards, except where otherwise noted, and are described on carefully hand-lettered labels. Reference works quoted are as follows:—
